OBJECTIVE OF THE CONFERENCE

The objective of this conference is to enable the researchers, academicians, and students to exhibit, their latest findings and also to provide a forum for the transfer and dissemination of new ideas and technology among all those concerned in the field of Information Technology.

Original technical paper submissions on, but not limited to the following topics are invited:

CALL FOR TECHNICAL PAPERS

- Grid and Cloud Computing
- Artificial Intelligence
- Android Mobile Applications
- Data Warehousing & Data Mining
- Distributed Computing
- AR/VR
- Ubiquitous Computing
- Web Applications & Security
- Biological-inspired Networking
- Wireless Sensor Networks
- Speech/Image Processing
- Network Security
- Robotics
- Social Computing
- Big Data Analytics
- Machine Learning Techniques
- Block Chain Technology
- Cyber Physical System
- Quantum Computing

REGISTRATION FEE

Industry participants	: Rs.500.00
Academicians/Research Scholars	: Rs.500.00
Students (UG & PG)	: Rs.250.00

The Registration Fee has to be paid through online.

Account number:3687860350

Bank Name: Central Bank of India

IFSC Code:CBIN0283083

PAPER GUIDELINES

Authors are requested to submit the full paper to the mail

ncrtit23@gmail.com.

The submitted papers will be peer reviewed and evaluated based on the originality, research content and relevance to the conference. The accepted papers will be published in conference proceedings. After the intimation of the selection of the paper, the author should sent hard copy of the final paper. The soft copy of the final paper should be submitted through the email as per the following format.

Format: IEEE Standard, Double column format in A4 sheets limited to 8 pages only.

IMPORTANT DATES

Full Paper Submission	: 20.04.2023
Paper Acceptance	: 27.04.2023
Registration	: 27.04.2023

JOURNAL PUBLICATIONS

- All the accepted papers will publish in conference proceedings with ISBN number and Scopus, WoS-UGC care indexed Journals with author concern(Additional Charges apply)

ABOUT THE COLLEGE

Adhiparasakthi Engineering College was established in the year 1984 with the blessings of the Founder President His Holiness Arulthiru Bangaru Adigalar in order to meet the growing demands for engineers in the modern industries. The Institution is governed by the Vice President of he ACMEC Trust, Thirumathi Lakshmi Bangaru Adigalar as chairperson and the Correspondent Sakthi Thiru Dr. G. B. Senthil Kumar. The Institution is approved by the Government o f Tamil Nadu and the All India of Technical Education and is affiliated to Anna University. The college presently offers 7 UG programmes, 10 PG programs and 7 Ph.D programs.The College Campus is spread over a wide area accommodating spacious buildings to house workshops, laboratories, computer centers, hostels and other infrastructural facilities. A team of highly qualified, experienced and dedicated faculty guides the students in the pursuit of technological excellence and perfection.

ABOUT DEPARTMENT

The Department of Information Technology (IT) was established in the year 1998 with the vision of developing the department a Centre of Excellence in R&D, in the field of Information Technology and making students the blossom into meritorious and self-disciplined engineers by hard work. The department has been accredited by NBA/AICTE and is affiliated to Anna University, Chennai. The enthusiasm of the students to learn makes it easier for Information Technology to produce top-scratch engineers who are being recruited by various companies all over the world.

Our mission is to impart good quality education by leveraging new technologies to help the socio-economic growth of the society. To inspire the student to develop innovative ideas and accept challenges to provide IT Solutions. To provide technology focused skills that can be used as a service for social welfare. The department's dynamic methods to build zeal among students have enhanced them to build proficient and responsible engineers, which makes them capable of getting recruited by various MNCs all over the world.

ABOUT THE VEI TECHNOLOGIES PVT.LTD

VEI Technologies provides range of IT Consulting, and web application sourcing services through a technique. It focus on delivering solution our clients business processes industry leaders as they need to improve market highly professional & dedicated. They ensure timely completion of our projects.

Conference Date : 29-04-2023

ORGANIZING COMMITTEE

CHIEF PATRON
Sakthi Thiru Dr. G. B. Senthil Kumar,
Correspondent

PATRON
Dr. J.Raja, Principal
Dr. V. Ramasamy, Dean

ADVISORY COMMITTEE

Dr. B.Prakash,
SRM University
Dr. P. Mangayarkarasi,
Takshashila University
Dr. S. Latha,
Takshashila University
Dr. P. Shanmugam,
Rajalakhmi Engineering College
Dr. M.Moorthi,
Sai Ram Engineering College
Dr. M. Malathi, APEC
Dr. C. Dhaya, APEC
Dr. R. Srivel, APEC

PUBLICATION COMMITTEE

Dr. B. Ezhilavan, VEI Technologies
