BEFORE YOU TRAVEL

Arrive prepared. Explore with peace of mind.

01

Dates & flights

Travel dates are March 13–20, 2027, matching the itinerary and booking listing. Confirm flight schedules, seven-night accommodation arrangements and airport transfer windows before purchasing international flights.

02

Documents & health

Names must match passports exactly. Travelers are responsible for correct passports, visas and entry documents. Verify Thailand’s current entry and health requirements with the relevant authorities; personal health and vaccination costs are excluded.

03

Required insurance

Travel medical insurance must include emergency medical coverage, emergency medical evacuation and repatriation of remains. Proof is due 60 days before departure. Ordinary U.S. health insurance will most likely not satisfy these requirements.

04

Activity & respect

Certified Africa requires travelers to walk at least 5 miles independently each day; consult your physician about fitness to travel. Cover shoulders and knees for temples. Follow sanctuary guidance, with no elephant riding. Island routing depends on sea conditions and conservation rules.

THOUGHTFUL PLANNING

Know before you book.

Refunds & cancellations

Cancel within 48 hours of booking for a full refund. After 48 hours, the deposit and all future payments are non-refundable. Refunds can only be processed after funds settle; this may take approximately 4 business days or more.

Payment plans & final payment

Plans require automated monthly card payments beginning the month after booking. Request date changes at least 72 hours before payment. A third failed attempt incurs an interest fee; two missed monthly payments may lead to cancellation. Reinstatement is available within 7 calendar days by paying past-due amounts. Final payment is due as stated in your confirmation: a $100 penalty applies after 3 business days late; after 7 business days, Certified Africa may cancel.

Roommates, transfers & changes

Roommate matching is a courtesy, not guaranteed. If unmatched 90 days before departure, the single supplement is required and may be paid over the final 3 months. Transfer to another traveler by email carries a $199 fee. Prices and availability can change before confirmation. Post-booking occupancy changes use current prices; itinerary changes may require equivalent substitutions.

Protect your journey

Trip-cancellation insurance, including a “Cancel for Any Reason” option, is strongly recommended. Coverage and reimbursement depend on your policy. Trips canceled for reasons beyond the organizer’s control may be rescheduled; refunds if you cannot attend new dates are not guaranteed. Participation includes photo/video-use permission under the terms.

Policy summary only. Review the full booking terms, including liability provisions and traveler responsibilities, before purchase. This brochure is based on the supplied working itinerary; final arrangements require confirmation.
