Record of Supervision

Date: 2/11/2022

Trainee Name: Dr George Costanza

Trainee Grade: F3

Supervisor Name: Dr Elaine Benes

Supervisor Grade: ST4

Session Length: 1 hour

PDP Period: 1 Aug 2022 - 1 Jan 2023

Subjects discussed:

- How George is settling into his new role as a Renal Clinical Fellow
- Review of PDP goals achieved during first 3 months of placement
- Study leave plans and annual leave requests
- ECG interpretation

Issues arising:

- George still does not have an access card for the cardiac cath lab and is therefore unable to attend sessions as he keeps getting locked out.
- George is unclear on how to request study leave and annual leave
- PDP goals - has not yet completed 3 CBD as per goal.
- Discussed ECG finding - ventricular bigeminy.

Agreed actions:

- Dr Benes to email HR to ensure access card is arranged ASAP.
- Leave dates agreed in this meeting - George to email dates to HR (cc: Dr Benes) this week.
- George will prepare 1 CBD assessment to be presented next week in supervision.
- George to do more reading on ventricular bigeminy on www.lifeinthefastlane.com
