Teaching Feedback

Date: 2/11/2022

Teacher Name: Dr Ross Geller

Teacher Grade: F3

Session Name: How to perform a mental state exam

Session Length: 30 mins

The content of the session was useful and interesting.....	1	2	**3**	4	5	N.A.
The session was structured and well organized.....	1	2	3	**4**	5	N.A.
The topics covered were relevant to me.....	1	2	3	4	**5**	N.A.
The overall delivery of the session was clear.....	1	2	3	**4**	5	N.A.
What did you think of the teaching overall?.....	1	2	3	**4**	5	N.A.

Was there adequate time for questions and discussion?..... **Yes** No

Do you think you can apply what you learned in the work place?..... Yes **No**

What aspects of the teaching were particularly good?

Dr Geller was very knowledgeable and had lots of interesting academic insights to share about mental state examinations. I enjoyed his passion for the subject matter and felt that his unique take on the topic would have made for an excellent handout.

What aspects of the teaching could be improved?

A handout

Some practical tips and examples

More student participation throughout, rather than only at the end for questions.
