National Engineers Day Celebrations

IEEE IDEAthon 2023

We are glad to announce you that the **IEEE Student Branch** of Adhiparasakthi Engineering College organizes **IEEE IDEAthon 2023** on the occasion of **National Engineers Day** on **15.09.2023** at **Central Library Conference Hall**, and we cordially invite you to participate and share your innovative ideas. The IEEE Ideathon 2023 is an opportunity for the young minds with potential and creativity, to come together, brainstorm, and float their innovative ideas and solutions to the real world challenges. The participants are expected to showcase original thinking and problem-solving aptitude to address the local as well as global issues related to our day to day life in terms of technology, education, healthcare, water conservation, environment, sustainability and more.

IEEE Ideathon 2023 will be a perfect stage to you to present your innovative ideas. **Register on or before 13.09.2023** and grab the prizes. Registration link: https://forms.gle/TKCneg7KH9fcxZ1t9

To participate,

- Identify a problem and develop an innovative idea to solve it.
- Prepare an abstract with a maximum of 300 words describing the idea and its social impact.
- Register yourselves as a team and submit the abstract at the registration link.
- Prepare a clear and concise presentation outlining your idea which includes problem identification, survey about existing solutions, working principle, innovative ideas introduced and practical applications.
- Get ready to present it to the attendees and the judging panel on 15.09.2023 at 9.00 a.m.

General guidelines to the participants:

- There is no registration fee.
- All UG and PG students of Engineering disciplines are eligible.
- A team should consist of a maximum of 3 members only.
- The idea submitted should be original and should not be copied from any existing sources.
- Duplicate ideas from different teams will be treated on first registered basis.
- Each team will be allotted a time of at most 5 minutes for presentation
- The presentation will be followed by 2 minutes of a Q & A session.
- The ideas submitted will be reviewed based on: Clarity of the problem statement, worth of the problem, clarity of the solution, practicability of the solution and novelty.
- All registered participants will be issued a participation certificate.
- Decisions of the organizers are final.
