I have made 50 interviews and the first 30 are in the other document that I have already uploaded it few days ago. That one includes many paragraphs so in order to make your work easier I wrote these last 20 as more summary-like and bullet points.

Alice:

Advantageous:

- Power Supply
- Easy access (in the middle of the campus, close to the dormitory)
- Coffee Smell Motivates her

Disadvantageous:

- Fastfood smell
- Crowded
- Too hot
- Outside tables might be cleaner

Izzy:

Advantageous:

- Power supply
- Starbucks (not a long line)
- Nice place to meet with new people
- Meeting point for friends

Disadvantageous:

- Except for CoHo, the union closes earlier
- To go to rest rooms we need to pass many doors
- Not enough air conditioning

Griffin:

Advantageous:

- Excellent design, easy access to food and coffee
- Meeting point

Disadvantageous:

- So crowded
- Lots of children (summer camps) hanging around
- So much noise
- It is unbearable hot sometimes so it makes them to sit outside

Joe:

Advantageous:

- Inside is clean and workers are smiling all the time
- Nice coffee shops (especially CoHo)
- Animal friendly

Disadvantageous:

- To hot inside
- Outside tables are not as clean as inside
- Some times a little bit noisier than expected

Mitchell:

Advantageous:

- Power supplies (x3 he said it three times)
- Nice coffee shops
- Easy access

Disadvantageous:

- It is hot inside but also hard to find a power supply outside
- Too hot
- Not enough air conditioning
- Busy most of the time

Elsa:

Advantageous:

- Easy access from dorms (from Lagunita dorms)
- Calm place
- Helpful workers and staff
- Her favorite color is brown so she likes the aesthetic and ambiance of the Union itself.

Disadvantageous:

- Closes early
- Not getting much daylight and the lightning is not enough for a dark place (as the furniture is dark brown)
- Outside stairs make the view terrible for people who are sitting inside the Starbucks

Sabrina:

Advantageous:

- Calm Environment
- Great fast food

Disadvantageous:

- Hard to find a power supply outside
- It's too hot
- Inside is really dark and unhealthy for her eyes since she is pushing them to see more properly

Melin:

Advantageous:

- Coffee alternatives
- Meeting point with friends
- Power supply

Disadvantageous:

- Too hot
- Not enough daylight

Brown:

Advantageous:

- Some nice vegan options
- Clean restrooms

Disadvantageous:

- Dark inside (cannot feel the summer)
- Noise
- Hotness

Sofia:

Advantageous:

- Power supplies
- Coffee options
- Fast food options

Disadvantageous:

- Too hot
- Too dark inside and there is no power supply outside

Kate:

Advantageous:

- Wi-fi is working pretty well both outside and inside
- Clean rest-rooms
- Giving chance to meet with new people

Disadvantageous:

- Too hot
- Not enough daylight and artificial light
- Too dark
- Noise

Katty:

Advantageous:

- Peaceful environment
- Chill outside
- Good vegan and vegetarian options
- Easy to access the building

Disadvantageous:

- Too dark
- Noise
- Hard to find power supply outside
- Not enough daylight and artificial light

Vivrette:

Advantageous:

- Meet with new people
- Nice coffees in CoHo
- Great place to visit during class transitions

Disadvantageous:

- Too dark
- Too hot

Julia:

Advantageous:

- Meet with new people

- Subway
- Power supplies inside

Disadvantageous:
- Too dark
- Too hot

Kenz:

Advantageous:
- Meet with new people

Disadvantageous:
- Too dark
- Too hot
- Not clean tables outside
- It closes early and even once he could not use the restrooms at 8 p.m.

Alex:

Advantageous:
- Opportunity to grab a coffee in the morning and afternoon
- Power supplies

Disadvantageous:
- Too dark
- Too hot

Ally:

Advantageous:
- Nice options to eat when she skipped the breakfast
- Peaceful environment

Disadvantageous:
- Not enough daylight
- Cannot feel the beauty of summer from inside
- Lots of children camps are visiting during the day

Steven:

Advantageous:

- Close to Lagunita dorms (10 minute walking distance)
- Easy to grab a coffee before class

Disadvantageous:

- The power supply number should be increased
- Air conditioning should be improved

Kohen:

Advantageous:

- New friendships can occur
- Subway

Disadvantageous:

- Too hot inside (air conditioning problems) and it is too hot outside too (natural reasons)

Alexandra:

Advantageous:

- Subway
- Power supplies that are inside
- For her it is a Zoom meetings zone

Disadvantageous:

- Too hot inside (air conditioning problems) and it is too hot outside too (natural reasons)
