Tonight will be all about map memory.

At the start choose the Odds or Evens map. Study the map, try to memorise the course, when ready set off and complete as much of the course as possible.

When you have either completed the course or can't remember anymore, come back to the start and study the other map. Try to memorise the next course, when ready set off and complete as much of the course as possible.

Be warned controls for both courses will be close together and codes will not help you know which course they are on!

We will be using SI, dibbers you will be available to borrow if you don't have one or forget yours.

Sunset at 18:35 - bring a torch as it will be dark in the woods

Post Session Social: Old Inn, Penllergare
