MELODY OF LOVE

It's about the story of couples are yet know, how they each feel about it. Sounds like an ordinary romance song that we always heard it

And now we can't seem to finish this lukewarm coffee and not knowing what to do with it – a little later. We pretend to kiss, like there's nothing happen. Keep it vague. Let's deal with the truth later and forget it, feels like it was a dream.

Textile Thoughts

Belligerent thoughts,
chlorine washed
Ignorant until he sat down
and wrote down all his thoughts
Glow detergent had done set him off
A wash resurgent to his cause

Phoenix all these sheep Holocaust
Ain't got no more time postpone
The world is ending, yes he knows
Chisel my tombstone,
with the name drone

Toxic ozone, chem trails, no
Winter Textiles but there is no snow
What is going on to this rock we call

DAM - live art zine; creating issues in real-time.
Inspired by DIY ZINE culture, DAM celebrates decentralized art.

@DAM_zine

DAM issue #1 "7 Deadly Sins of Crypto"
AVAILABLE NOW on SOLANA & TEZOS
+Exchange +FormFunction +Objkt +Teia

Each DAM issue has a theme and a number of invited featured artists.

In addition all artists are welcome to contribute to DAM. To join you just need to show up.

DAM issues are co-created in real-time within a twitter space and/or discord.

DAM is decentralized. Artists mint their own pages how and where they like. Any blockchain any marketplace as 1/1s, multiple editions, auctions and/or instant buys - your call.

We ask that you add a simple mention of DAM Zine in the description and tags to aid discovery. In addition we ask that you consider giving a royalty (amount is up to you) to DAM's Solana or Tezos wallet. The funds go to help support the logistics, design and promotion of the Zine. In addition a percentage of funds will be applied to the collecting of work for DAM's permanent vault.

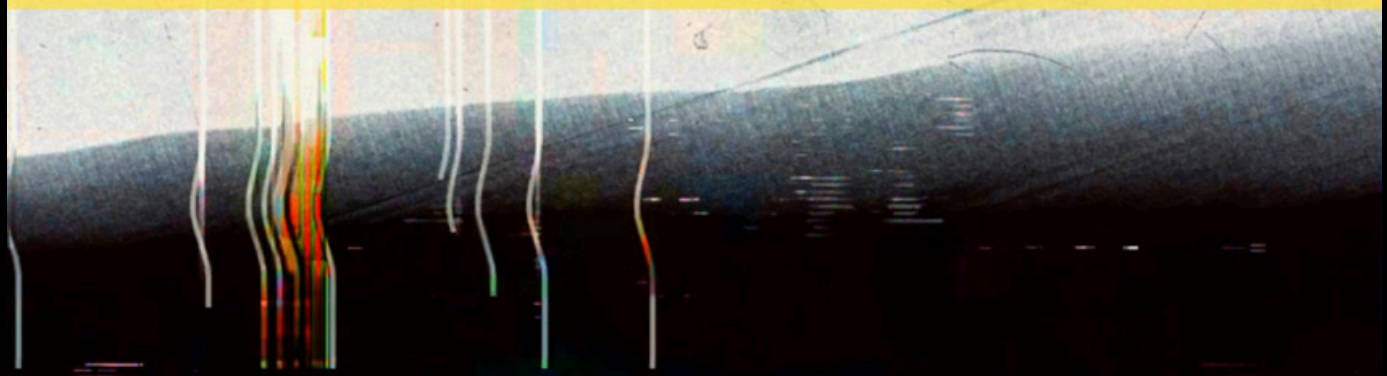

Timeline

Co-create Zine
First Saturday of the month at 12pm PT

48 hours later turn in art by 12pm PT

Following Thurs issue release party
group minting/listing 6pm PT

2 weeks later announce next issues' theme and open call for featured artists

DAM is a zine

that celebrates decentralized art
that encourages artistic freedom
that celebrates creativity, connection & co-creation
that experiments with new models of art making & collecting
where artists own their work
where artists price & sell how they want
that is decentralized in the way it is made, distributed & discovered
that is blockchain & platform agnostic - it is everywhere & anywhere
assembled by collecting individual pages directly from the issue's artists
