get funded

Getaway platform for EU grant funding

getfunded.lt | mindaugas@getfunded.lt | +370 630 07744

Getting a grant is complicated and expensive

Complex, **labour-intensive** and **expensive** process of receiving funding

Simplifying grants & financing with single platform

getfunded is a **platform that converges** businesses, grants, consultations & additional financing in one single place:

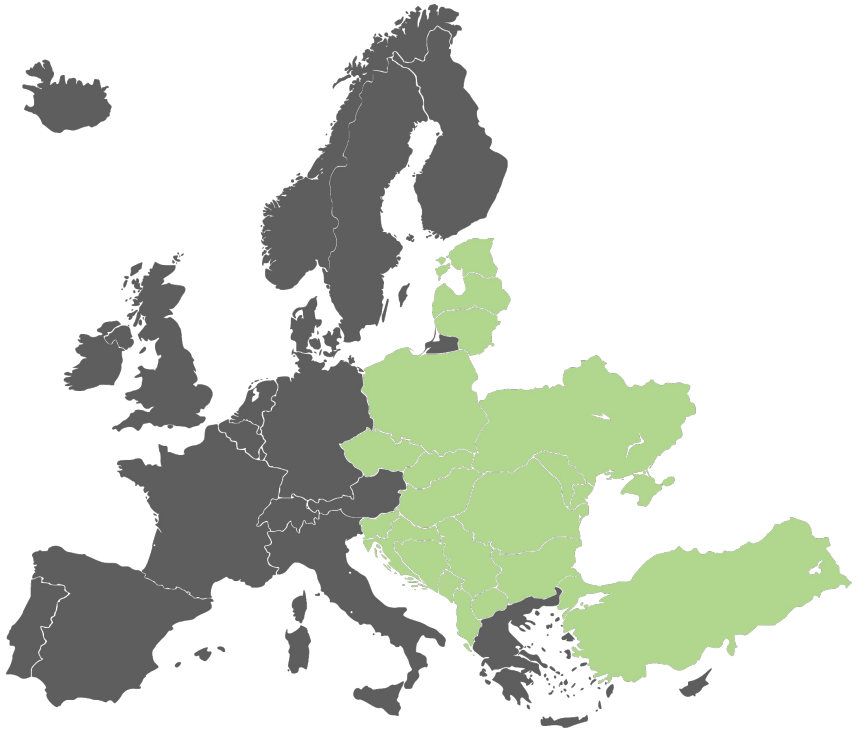

Explore & discover	Consult	Finance
Explore best existing & **discover new** grants according to **Your needs**	Consult to choose the **right** funding tools **before & during** application process	**Banking & factoring** services available **within** the platform for **additional funding**

Over €170B in grants & 41M businesses in the market

Over **€170B** available **for funding** in EU grants

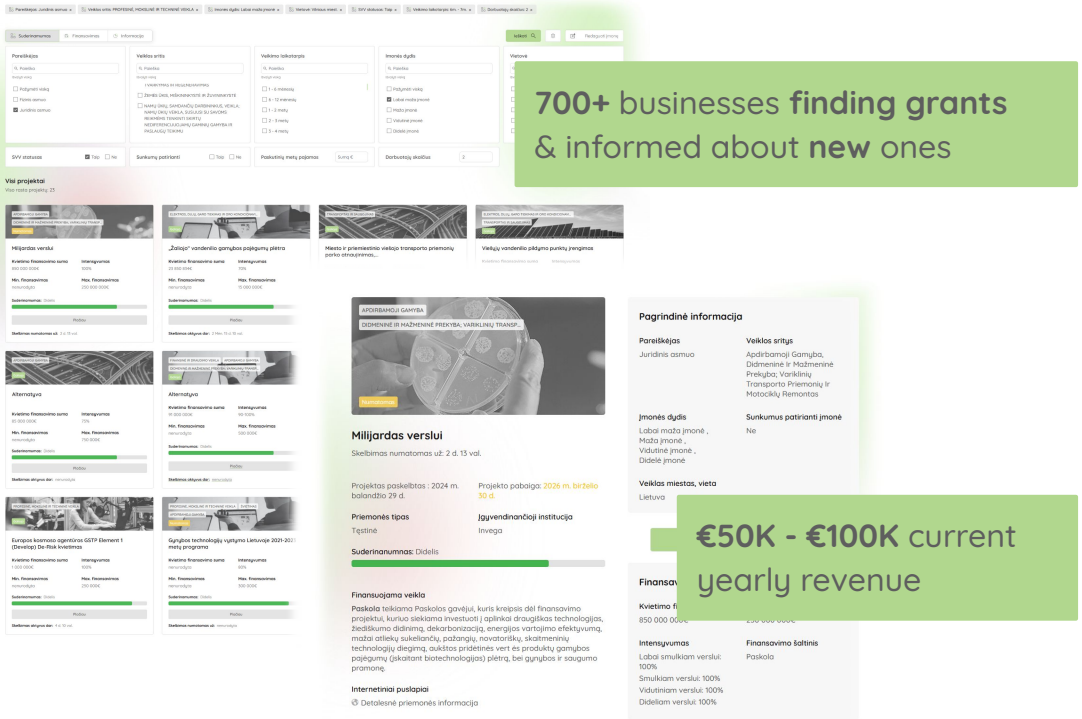

&

Over **41M** businesses in **Europe**

Primary expansion **direction**:
Eastern Europe

Active testing & hundreds of users

700+ businesses **finding grants** & informed about **new** ones

€50K - €100K current yearly revenue

"...pivotal in securing vital grants for growth..."

- Klaipėda CNC

"...easy to keep up with the latest grants..."

- Hippos

"...allowed to finance new equipment and expand ..."

- Forest IT

Recurring revenue & growth with SMEs

getfunded is **essential** for small & medium enterprises for **recurring** grants and additional funding becoming an invaluable **long-term partner** for their growth:

Grants fee	Banking & factoring	Financial data
getfunded **helps** to receive grants for a **fee** with SMEs **coming back** for new grants	getfunded **provides** additional funding options with **yearly & monthly interest**	getfunded **provides** collected financial data & trends as **monthly subscription** for analysts

Competitors

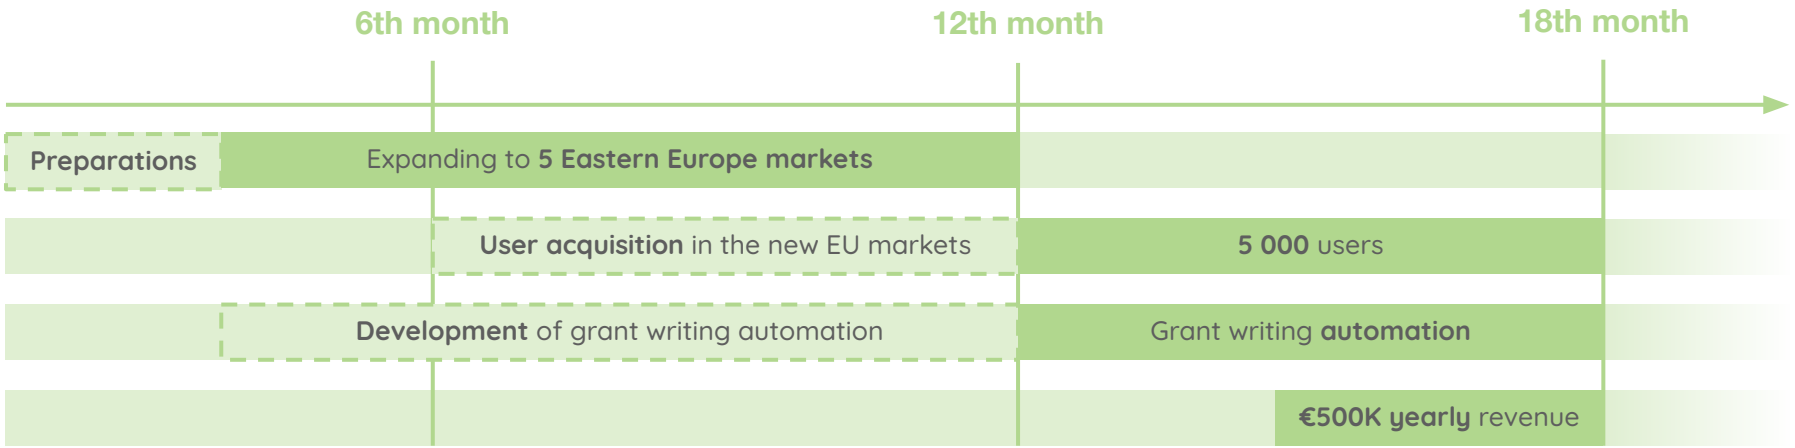

Two categories of **getfunded** competitors:

I. Private agencies	II. Government
Provide help **only for specialized** funding	**Lacks** manpower and **organization** to help businesses individually

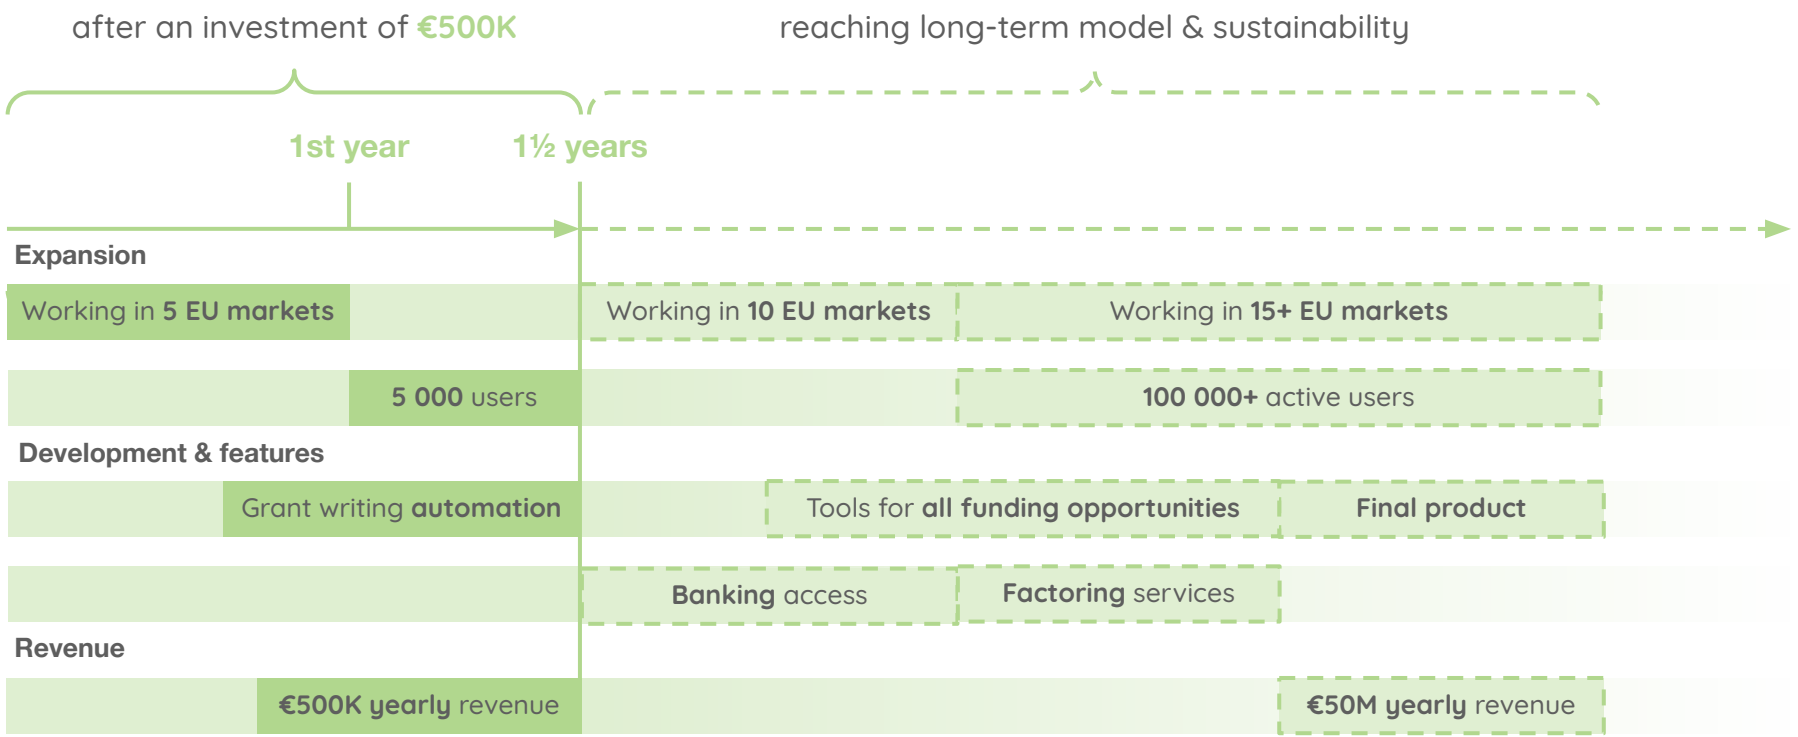

Roadmap for the upcoming 18 months

getfunded is asking for €500K
that would allow for such expansion and development:
