IT'S CHRISTMAS TIME!

Special topics have always added special interest to Notgeld, and many collectors single out certain topics and maintain their collections by them.

These may be places they have visited, or homogenous topics such as windmills, factories, chess, sports, animals, or even works by a single designer. All can be found on Notgeld, including Christmas themes.

Many topics have been itemized by Dwight Musser, P.O. Box 905, Lacoochee, Fla. 33537. With his permission, we list the Christmas notes, with catalog numbers.
